**COMPLIMENTS TO A PENSACOLIAN**

PENSACOLA'S MARDI GRAS CARNAVAL AND KING RECEIVE FLATTERING MENTION BY OUTSIDE PRESS.

The following comments in reference to Pensacola's recent Mardi Gras Carnival and T. A. Jennings, who reigned as King Priscus during the two days of merrymaking are very gratifying to Pensacola, as no doubt they are to Mr. Jennings:

**Stepping Stones to Thrones.**  
Mr. T. A. Jennings, vice-president of the J. P. Williams Co., was King of the Pensacola Mardi Gras this week and is spoken of by the press of that city as having made a magnificent monarch. Mr. Jennings is at home wherever you put him. He is a good naval stores man, a most enterprising business man and citizen generally, a first-rate politician and a handsome king of the merry-makers.—Jacksonville Industrial Record.

**The King and the Carnival.**  
The Pensacola Carnival came to a close last Tuesday night with one of the grandest displays ever witnessed in the history of that city.

Fully twenty thousand persons were upon the streets when the mystic parade passed over the appointed route, and the various features were cheered to the echo. The event was a gala one. Every one was imbued with the carnival spirit, and when the identity of the king was made known and the queen crowned, at the coronation ball, at the opera house, the cheering and enthusiasm was deafening.

T. A. Jennings, one of the most prominent citizens of the city, was king of the carnival. When his smiling features were revealed there was a hush and then a deafening applause. The crowning of Miss Elise Chipley met with equal enthusiasm.

The mystic parade was magnificent, comprising twelve floats with three bands, two of which were from the navy yard and forts. The visitors to the city numbered over five thousand persons.—Savannah Naval Stores Review.

**Are You Engaged?**

Engaged people should remember, that after marriage, many quarrels can be avoided, by keeping their digestions in good condition with Electric Bitters. S. A. Brown, of Benningville, S. C., says: "For years, my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once, and finally made her entirely well. She is now strong and healthy." All druggists sell and guarantee them, at 50c a bottle.

**BIG PARTY OF STUDENTS COMING TO PENSACOLA**

TWO HUNDRED AND FIFTY WILL REACH HERE ON APRIL 5TH, TO REMAIN FOR A SHORT TIME ENJOYING THE SIGHTS OF THE CITY AND HARBOR.

Advices were received here yesterday that a party of 250 students of the Indiana Manual and Training School and the Shortridge High Schools, both of Indianapolis, Ind., will arrive at Pensacola at 7:15 p. m. Wednesday, April 5th, and remain here until Friday morning, the 7th.

Division Passenger Agent J. W. Lorton of the Louisville and Nashville, and Secretary W. C. Jones, of the Chamber of Commerce, were busily engaged yesterday arranging for the accommodation and entertainment of the young excursionists upon their arrival.

The party will be in charge of the principals of the two schools represented and will be composed of both boys and girls.

The day of their stay in Pensacola will be spent visiting the different points of interest in and near the city, and with a visit during the afternoon to the vessels of the fleet which will then be at anchor in the bay.

**No Case Made.**

Cleveland, Ohio, March 15.—In speaking of the verdict of the jury in the trial of his client, Mrs. Cradwick, J. P. Dawley, her senior counsel, said that the verdict was not according to the terms of the indictment, and that the case would be taken to the court of appeals at Cincinnati.

Mr. Dawley said that his client had a very unfortunate jury, the men being wholly unaccustomed to banking transactions or dealing largely in the borrowing of money, etc. If the jury men could have eliminated from their minds the impressions they probably had formed and tried the prisoner on the one question involved in the indictment, he felt sure the verdict would have been different.

Prominent attorneys with whom he had talked, and who had followed the case, gave it as their opinion that no case had been made against Mrs. Chadwick.

**Professors Uphold Gambling.**

Philadelphia, March 15.—Professor Housgard, lord of the University of Columbia, and Professor James Kirby, of the University of America, have, in addresses stated that they could find no reason for saying that gambling in itself was wrong. Both expressed the opinion that gambling cannot be eradicated from modern life and that the wisest thing to do is to properly control it. The discussion was listened to by a distinguished audience.

Professor Kirby, after admitting the theoretical legitimacy of gambling, made an appeal for a course of instruction in the schools which might lessen gambling in the next generation and said that cities should take up the work of regulating gambling as an essentially city problem.

**Army Changes.**

Denver, March 15.—Announcement has been made at army headquarters that Brigadier General Frank D. Baldwin, at present in command of the Colorado department, has been advanced to command the Southwestern division, with headquarters at Oklahoma City. Brigadier General W. R. Mc Caskey will succeed him.

General Baldwin shortly will be made a major general and he will be retired by the age limit rule the last of next year.

The Southwestern division over which he will have charge, is the largest in the country, embracing both the department of Colorado and the department of Texas, including besides the states mentioned Utah, New Mexico, Arizona, Oklahoma, and Indian Territory.

Mr. Macon, it is understood, had been ill for several days, although but few were aware of the fact in Pensacola. He had many friends here, and was a member of Pensacola Lodge No. 3, Knights of Pythias.

The members of this lodge are requested to be present to-night at the union depot to meet the remains and escort the same to the family home.

**THE CRUISER BROOKLYN HERE**

HANDSOME VESSEL IN COMMAND OF CAPTAIN J. M. HAWLEY ARRIVED IN PORT.

The handsome cruiser Brooklyn, which has been in New Orleans for several days, reached port yesterday morning at 10 o'clock, crossing the bar at that hour, and anchoring off the navy yard at about 11 o'clock.

The vessel is here for the purpose of coaling and engaging in record target practice. She had been ordered here several days ago, and should have reached port Monday, but a quantity of ammunition went astray en route to New Orleans by rail, and the ship could not sail until it arrived.

This morning the cruiser, which is commanded by Capt. J. M. Hawley, will begin coaling, and possibly may go out for target practice during the latter portion of the week. The officers of the Brooklyn are as follows:

Captain J. M. Hawley, commanding; Lieutenant Commanders E. E. Wright, R. B. Higgins, C. M. Knepper; Lieutenants W. H. McGrann, C. L. Hussey, F. H. Brumby; Ensigns C. L. Arnold, L. S. Cox, Jr., C. T. Hutchins, Jr.; Midshipmen S. C. Lowan, W. E. Anderson; Medical Inspector F. Anderson; Assistant Surgeon J. S. Woodward; Pay Master S. L. Heap; Chaplain G. L. Bayard; Captain U. S. M. C. J. T. **COUGHED ALL NIGHT**

But Got Quickly Cured by Chamberlain's Cough Remedy.

"A few mornings ago Mr. J. G. Smitherman, a good citizen of this place, came to the store for a cough medicine," says Dr. C. N. Parnell, of Mapleville, Ala. "He was so hoarse that he could hardly talk and said he had coughed all the night before. I sold him a bottle of Chamberlain's Cough Remedy and told him that if it did not relieve him he might bring the bottle back and get his money. I saw him the next morning carrying the bottle to the store where he works, and he told me it did him more good than any medicine he ever used." For sale by all druggists.

**TORPEDO BOAT DESTROYER WHIPPLE OFF THE DOCKS.**

The torpedo boat destroyer Whipple, which has been on the dry dock for several days was launched yesterday after having her propellers replaced by new ones. The vessel is the flagship of the second torpedo boat flotilla, and came here recently for repairs to her propellers which were injured some weeks ago when she ran upon a coral reef while proceeding to Key West.

**M. E. CHURCH SECURES LOTS**

PURCHASE PROPERTY AT THE NORTHWEST CORNER OF PALAFOX AND CHASE STREETS.

A deal was closed yesterday, whereby the Palafox Street Methodist church comes into possession of the property at the northwest corner of Palafox and Chase streets, which is now occupied by a small residence.

The general impression prevailing is that the board of trustees intend to use this valuable piece of property for the purpose of erecting a new church building, and that the property now occupied will be disposed of at an early date.

The church building now stands upon a site which is one of the most valuable in the city, and it is stated that a big business building will shortly be erected in its stead.

**Attacked By a Mob.**

And beaten in a labor riot, until covered with sores, a Chicago street car conductor applied Bucklen's Arnica Salve, and was soon sound and well. "I use it in my family," writes G. J. Welch, of Tekonsha, Mich., "and find it perfect." Simply great for cuts and burns. Only 25c at all druggists.

**SOL CAHN & CO., SECURES IMPORTANT AGENCY.**

The soap display of Sol Cahn & Co.'s store attracted a great deal of favorable comment yesterday.

It is a facsimile of the capital building at Washington and is made of cakes of soap made by the Royal Soap Co., of Cincinnati, for which Sol Cahn & Co., are agents for West Florida.

The product of the Royal Soap Co. has been the standard of excellence for nearly a quarter of a century. The famous Medicated Royal Cuticle Soap is the Cuticle doctor of America and beautifies the complexion of men, women and children. It is a wonderfully fine toilet soap, and has won by curing nearly all skin diseases and by beautifying the complexion.

Sol Cahn & Co., were fortunate in securing this important agency.

**Scrubbed Street Car.**

A dispatch from Cleveland, Ohio, says: The Scranton avenue car line was tied up for two hours because a motor-man attempted to take out a car that did not meet the standard of cleanliness which the city health officer is enforcing. The health officer ordered that the cars be scrubbed at certain times and that a standard of cleanliness necessary to health be maintained.
